Team SAFE Clothing Drive for...

My Girlfriend's Closet's Mission Statement ...

My Girlfriend's Closet is a San Diego-based nonprofit organization that collects quality, gently used clothing from teen girls in the greater San Diego area who can afford quality clothing and distributes it to teen girls who are homeless, in foster care, or otherwise economically disadvantaged. By offering stylish clothing free, in a pleasant, boutique-like "shopping" environment, My Girlfriend's Closet is providing a unique wardrobe resource that aims at helping these girls feel more self-confident and comfortable in their schools and communities.

The Teens My Girlfriend's Closet Serve ...

My Girlfriend's Closet provides clothing to any San Diego-area teen girl who needs it. They strive to reach the teens whose need is greatest – the homeless and those in foster care – by working closely with the social service agencies that serve them. Additional disadvantaged teens are identified and notified about our clothing distribution events by community organizations that aid them and their families. No one is turned away.

Clothing Donations ...

Please help with donations! My Girlfriend's Closet needs gently-used or new, fashionable clothing for teens ages 12-22. Bring your casual clothing, party dresses, shoes, accessories (purses, belts, hats, jewelry, books, etc.), and even unopened makeup.
